## With Gratitude From The Class Of 1971

Alas and alas!  
You may take it how you will,  
but the services of no single  
individual are indispensable.

— Robert Louis Stevenson

Genteel in personage,  
Conduct, and equipage; . . .  
Generous and free.

— Henry Clay

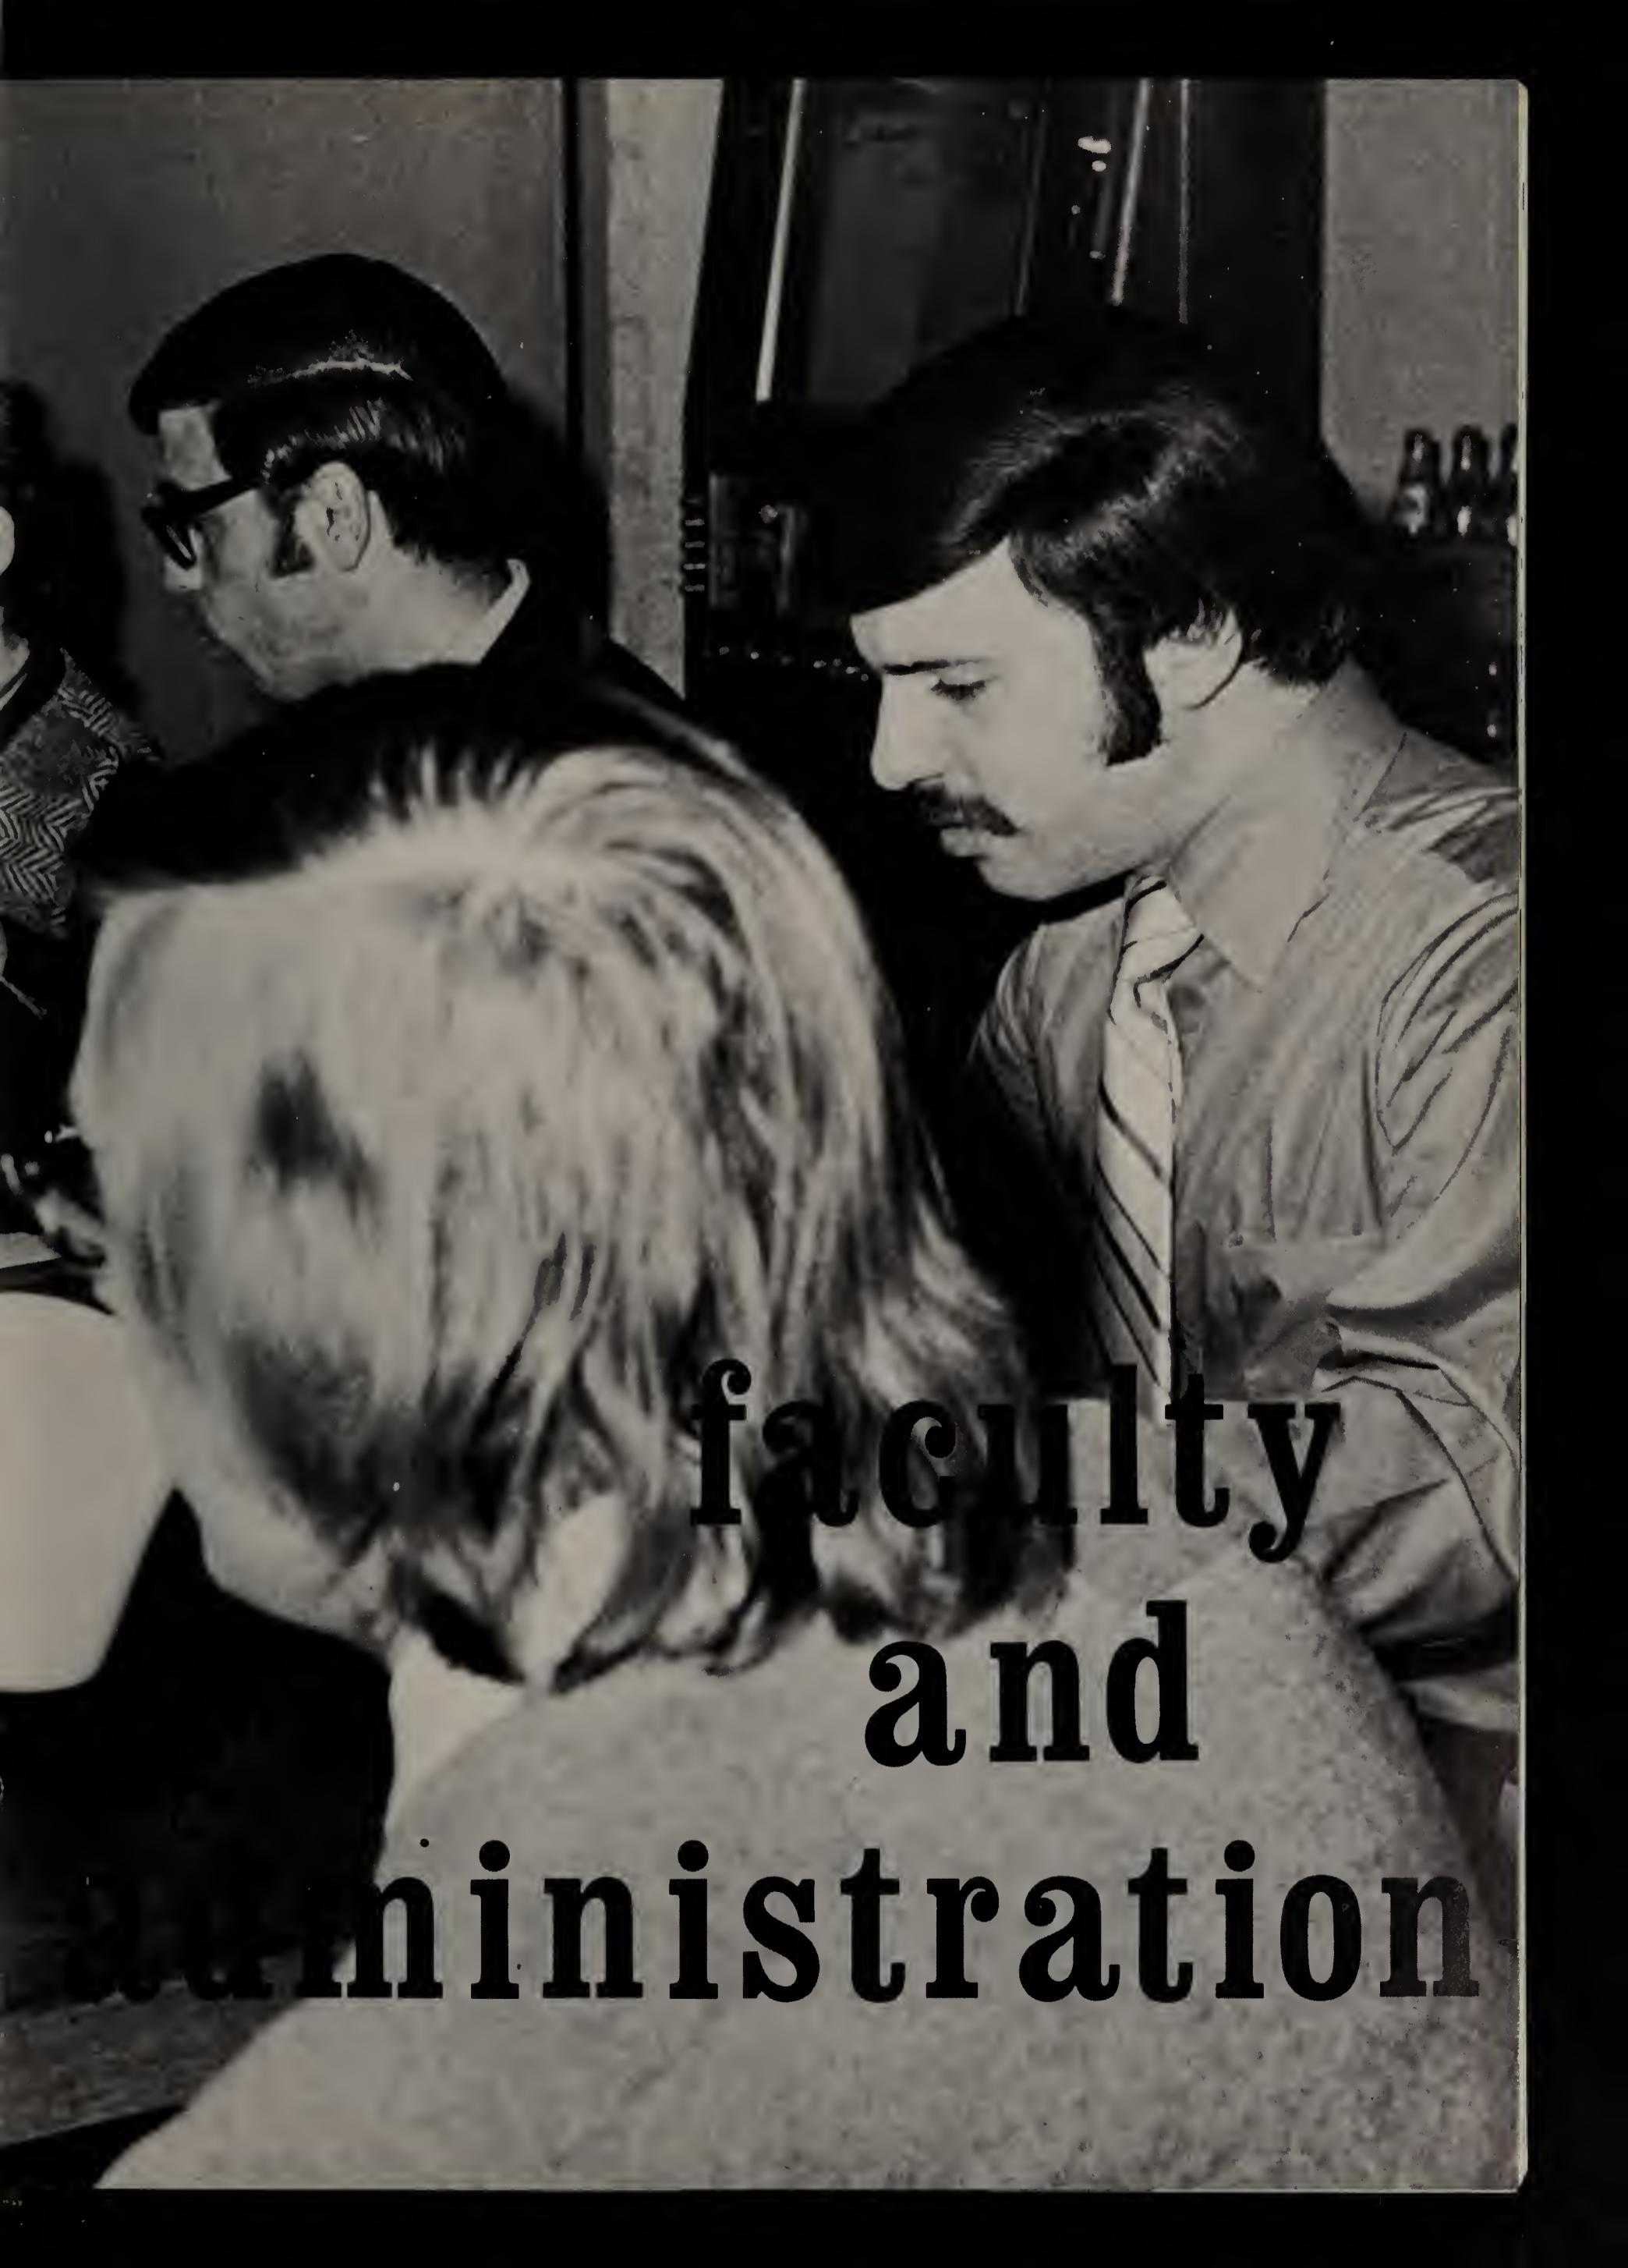

Wise to resolve, and patient  
to perform.

— Homer

Character is a by-product,  
it is produced in the great  
manufacture of daily duty.

## The Ballyhoo

As a kickoff for South Windsor High's fall sports, the Cheerleaders held their annual Bally Hoo on October 9, 1970. The evening started with a Pep Rally around a huge bonfire and ended with a dance in the gymnasium.

Music was provided by The Forty Thieves.

On Friday, November 20, the Class of '71, welcomed the freshmen into our school. The Senior Get Together was presented in hopes of bringing unity throughout the school. Highlights of the evening were entertainment provided by the Seniors, music by the Wheatstone Bridge, and crowning of the queen, Janice Pasquale and her court.

**"Get  
It  
Together"**

Some events happen around our school that many of us never even realize do happen. Some of these things happen in the class room or in the halls between classes. These are just a few of the diversions in daily routine in S.W.H.S.

# The Impossible Dream

On May 9, 1970, the class of '71 held their Junior Prom, "The Impossible Dream." For the first time in the history of South Windsor High School, the prom was held outside the school at Hotel Sonesta. The highlight of the evening was the crowning of the queen Arlene Sarra. Her court included Kathy Staiger, Nancy Edlund, Roslyn Henry, and Pauline Boutin. Strains of music from Don Chouinard's Orchestra could be heard throughout Constitution Plaza.

Dave Lacy  
crown Arlene  
Sarra queen.

Every one of our starters is an outstanding player. Some fans tend to forget that, and that's fine with me, because Phil Levesque, John Jason, Terry Stoddard, Greg Burger and Jankowski are all capable of destroying an opponent."

# **ROY BREAKS STATE SCORING RECORD**

"DID YOU SEE TERRY," EXCLAIMS ROY

ALL-STATE candidate Terry Stoddard of South Windsor is expected to play tonight against Windsor Locks, according to latest reports from South Windsor High Coach Charlie Sharos. The outstanding shooter, ball-handler, defensive stalwart

South Charlie Shores' Bobcats, who hadn't beaten Windsor Locks since 1966, destroyed Windsor Locks' slowdown tactics as easily as a wrecking ball takes down old buildings.

## SPORTS

TOM ROY, CLASS A Tournament M.V.P.

"we expect to run into this type of balogna from time to time," said South Windsor Coach Charlie Sharos. "If a team feels that the only way to beat us is to hold the ball, fine. But, that's the thing we expect, and we're prepared for it. They played right into our hands."

Tom Roy,

South Windsor's All-American

HAMDEN — Whoever would be said off was so nearly three weeks rusty when the 'Cats can turn in a stellar performance just forget it, because this year South Windsor seems unbeatable.

AN APPRECIATIVE COACH, Charlie Sharos, applauds the performances of his winning South Windsor unit. Sharos has

repeatedly contended and accurately so, "This team is one of the best in the state's history."

# Was There Really Ever Any Doubt?

"That's what has made this club 69-6 over three years. Unity. That's what has given us the distinction of winning the back-to-back state titles in two divisions, something no other team has ever done. That's what has made us 46-2 over the past two seasons, and that's what has made us one of only two undefeated teams in the entire state this year," Sharos continued.

South became only the second non-parochial school to ever win the Class A tournament.

## Student Council

Very few people are aware of what goes on behind the closed doors of Room 90 when the Student Council is in session. Although there have been problems this year in attendance, the effects of the Council can be seen throughout SWHS. The Class B State Championship banner hanging in the gymnasium was bought by the Student Council. The recess period which ran on a trial basis for three weeks this fall was the effort of the Council. The Assembly Committee has done much to improve the enthusiasm toward assemblies with their many interesting programs. The Traffic Court, a branch of the Council, has kept driving students in line. These are a few of the many things that our Student Council has done for the benefit of the student body.
